Congratulations to Brianna Sparks, McKenna George, & Shiloh Sather

At the 2017 Championship show 3 scholarships were given out to members who are furthering their education. I would like to extend a thank-you to WSCA judges Ann Graney Hoffman, Kari Murrel, Ben Sparks, Lynn Ellen St. Martin, Bonita Peterson and VeeAnn Wood for supporting the scholarship program this year.

This year 3 scholarships were awarded, 2 scholarships in the amount of \$1000 each were given to Brianna Sparks and McKenna George. 1 scholarship in the amount of \$2000 was awarded to Shiloh Sather.

Watch for 2018 scholarship information coming in spring.

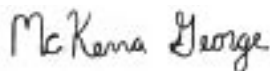

I would like to thank WSCA for choosing me to be a recipient of one of the 2017 scholarships. It is a great honor to receive this scholarship. I feel very fortunate that an organization, that plays such a large role in my life, is supporting my aspirations of becoming a hospital administrator. WSCA has been a big aspect of my life ever since I can remember and will continue to be in the coming years. I have gained so much from WSCA, including amazing friends, morals, and responsibility. I am so lucky to be part of such a great organization, and I cannot thank WSCA enough.

Dear WSCA Scholarship Committee,

I would like to thank you for the generous scholarship I received, I am very proud and honored. I have been showing through WSCA as long as I can remember and it has truly made a difference in my life! My horse Phyllis and I do the pleasure events at WSCA open shows and at the WSCA Championship Show. I am currently majoring in Social Work at UW Barron County with hopes of becoming a social worker. The financial assistance from the WSCA Scholarship will be of great help to me in paying my educational expenses. Once again, I would like to thank everyone who contributed to the fund and everyone who took the time to judge the applications. I would also like to thank all the people who work behind the scenes for the WSCA.

Sincerely,

McKenna George

Dear Western Saddle Club Association,

Thank you for supporting my college and career goals through the generous WSCA Scholarship, as well as for providing an amazing, educational atmosphere to compete and learn in with my horses throughout the years. The WSCA has helped shape me into the person I am today and the many life lessons that I have gained through this organization and the extraordinary people in it, help me with obstacles that I face daily. This scholarship will help me continue to pursue my degree in Bio-medical science at University Wisconsin River Falls. Thank you from the bottom of my heart to everyone who has supported my goals and aspirations throughout the years as well as through this scholarship- you have blessed me.

Thank you.
