- The 2024 Championship Show Committee is adding Showcase Walk Trot Western Pleasure Classes to the 2024 WSCA Championship Horse Show in a effort to see the level of interest.

SHOWCASE RANCH CLASSES

- No horses less than 3 years of age may be exhibited.
- Three age divisions; Jr 17 & Under, Sr 18-34 and Sr+ 35 & Over in Ranch Pleasure and Ranch Riding.
- Cross entries into additional pleasure classes will be permitted.
- The Ranch Horse classes are designed to show the overall ability of the horse to perform skills necessary to those of the all-around ranch horse.

RANCH PLEASURE: The ranch rail pleasure class measures the ability of the horse to be a pleasure to ride while being used as a means of conveyance from one ranch task to another and should reflect the versatility, attitude, and movement of a working horse. The horse should be well-trained, relaxed, quiet, soft and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins. The overall manners and responsiveness of the horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement are of primary considerations.

RANCH RIDING: The purpose of the ranch riding class is to evaluate the rider's ability to execute, in concert with their horse, a set of maneuvers with precision and smoothness while exhibiting poise and confidence, and maintaining a balanced, functional and fundamentally correct body position. The horse should be well-trained, relaxed, quiet, soft and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins.
